

## Distribution of Student Reports

### ABOUT

In addition to institutional reporting, all juniors and seniors who take the CWRA+ are eligible to receive Student Score Reports and also claim badges, if they qualify. Your school is able to send students score reports through the Proctor Interface. Student Score Reports are made available with your school's Institutional Report and Student Data File.

### SENDING STUDENT SCORE REPORTS

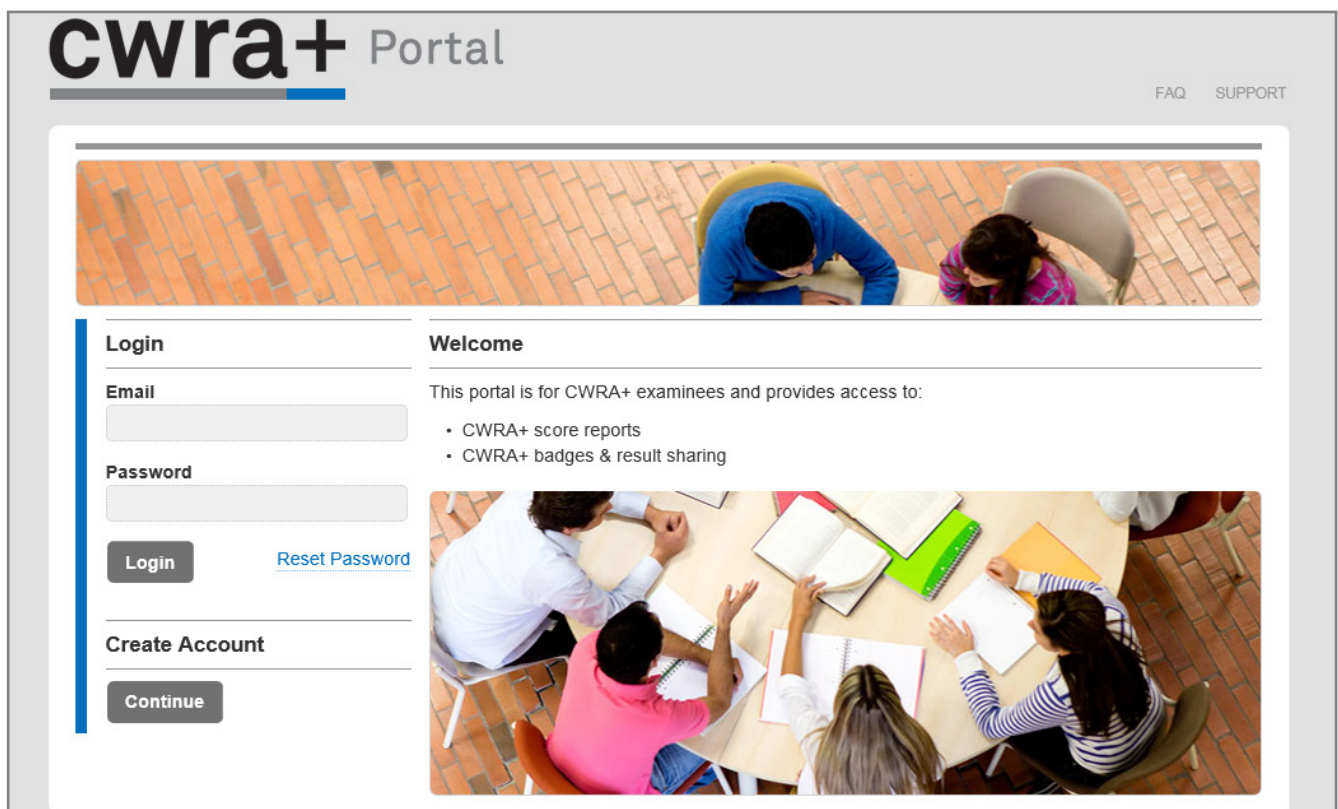

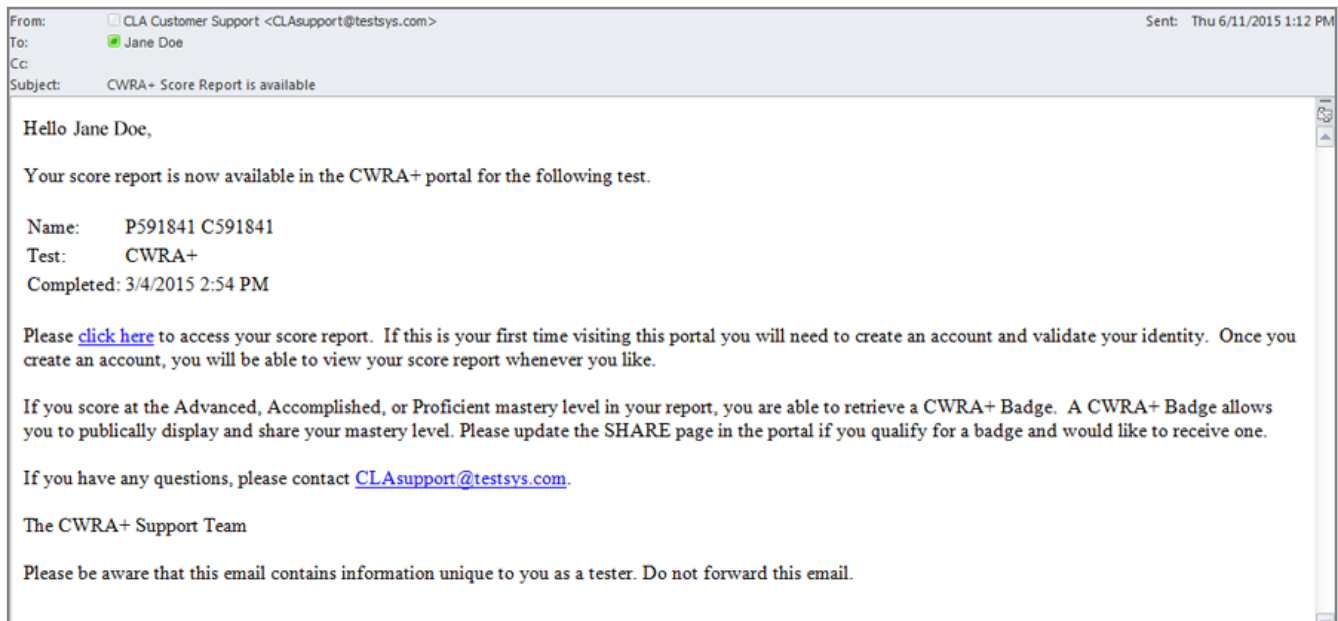

1. Log on to the Proctor Interface, <http://admin-cwra.cae.org>.
2. Click on **Test Administrations** from the menu on the left.
3. Find the most recent Test Administration and click on **Reports** under the **View** column.
4. In the last table, **Student Report Portal**, enable the reports for Juniors/3rd Year Students and/or Seniors/4th Year Students.
5. Click **Send Instructions Email** in the upper right hand corner of the **Student Report Portal** table.
6. Select the recipients. An optional message for students may be added.
7. Click **Send**.

The screenshot displays the CWRA+ Proctor Interface. The top navigation bar includes 'LOGOUT' and 'SUPPORT/CHAT' buttons. The left sidebar shows a tree view with 'CWRA High School' as the root, containing 'Home', 'Students', 'Test Administrations', 'Test Delivery', 'Users', 'Help', 'My Profile', and 'Logout'. The main content area is titled 'Reports' for 'Spring 2015 CWRA+'. It features a 'Download Reports' section with links for 'Institutional Data Download' and 'Student Reports'. A 'Student Report Portal' table is visible, with columns for student levels and their status (e.g., 'Disa', 'Enal'). A 'Send Email' dialog box is overlaid on the interface, with the following fields: 'Email' (Instructions for Student Report Portal), 'Levels\*' (Juniors/3rd Year Students, Seniors/4th Year Students), 'Recipients\*' (radio buttons for 'Students not emailed (29)' and 'All students (29)'), and an 'Optional Message to Students' text area. 'Send' and 'Cancel' buttons are at the bottom of the dialog. The footer contains copyright text: 'This website is copyright© 2014 Internet Testing Systems, LLC. The content for the examination is copyright© 2014 Council for Aid to Education. By visiting and using this site, you agree to the Site Terms and Conditions and Privacy Policy.'

## CWRA+ STUDENT PORTAL

Students will receive an e-mail from [CLAsupport@testsys.com](mailto:CLAsupport@testsys.com) if they are granted permission by their institution to view their reports. The CWRA+ Student Portal is where students are able to retrieve their score reports and also learn about additional ways of sharing and utilizing their CWRA+ scores.

**Note:** It is recommended that students use a personal email address in order to ensure access to score reports, especially if students lose access to school email addresses after graduation. Please contact your CWRA+ Rep for additional information.

# STUDENT SCORE REPORTS

Sample Student   Sample High School		cwra+	
<b>Total Score: 1276</b>			
<b>Mastery Level: Accomplished</b>			
<b>Percentile Rank: 88</b>

Spring 2015 Student Score Report		Page 1	

A complete CWRA+ Student Score Report will provide students with their Total Score, Mastery Level, and Percentile Ranking. It will also show subscores and percentile rankings for the Performance Task and Selected-Response Questions.

Additional information on interpreting their report can be found on the proceeding pages of the score report.

To receive a full CWRA+ Score Report, students must provide a scorable response level to the Performance Task and answer at least half of the Selected-Response Questions. Scores of N/A means that one of these requirements was not fulfilled.

# BADGES

By scoring Proficient, Accomplished, or Advanced on the CWRA+, seniors and juniors can claim and display a ProExam badge. ProExam badges allow students to stand out among their peers and appeal to companies seeking these higher-order skills. A ProExam badge can be displayed via an online vault or backpack, an electronic résumé, or a LinkedIn profile. Badges provide verified, specific information from trusted sources about the skills, competencies, and knowledge each individual possesses. A badge supplements a résumé because it showcases a broad range of a student’s skills, particularly the skills that are transferable outside of the classroom and valid from college to the workplace.
