

Student Learning Gains Study

SSA+

Client

**City University
UK**

Need

For 1st year MBA students, research interest was:

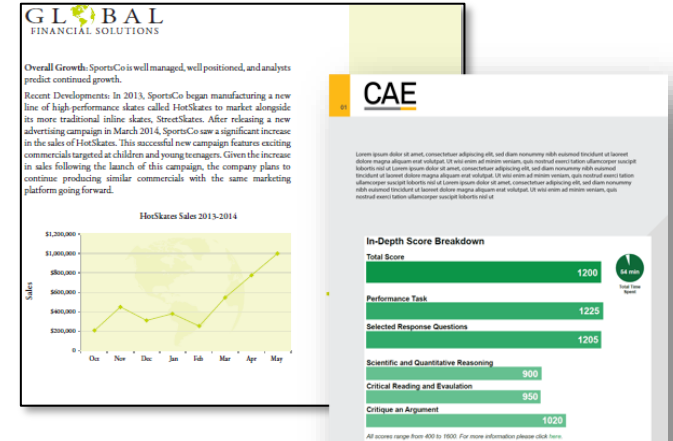

- Assess 21st century success skills
- Identify areas of strength and opportunities for improvement

Our Solution

- Administer SSA+, a 60-minute formative, performance-based assessment
- Deliver immediate student level results
- Incorporate longitudinal study model

Scope

- Pilot Study (longitudinal)
- 250 entering students (Fall 2019)
 - 250 exiting students (planned for Spring 2021)
- Full Scale Administration
- 1000+ entering students (Fall 2020)

Your Mastery Level
